Your AA Membership terms and conditions

These terms and conditions apply to your AA Membership package. If you require more information, or have any questions, please do not hesitate to call us on 0861 000 234, weekdays between 8am and 5pm.

ADDITIONAL ASSISTANCES:

Where any breakdown case needs the use of more than one of our resources, such as a road patrol, battery patrol, locksmith or tow provider, we will count these as a single assistance.

Once we have provided assistance for a breakdown, we consider any subsequent assistance for the same breakdown to be an additional assistance. This includes towing a Vehicle that was towed after hours to your home, a storage area or other place of repair or safety and then needs a further tow due to the same breakdown event. If you call on more than one occasion for the same problem, each request will count as one assistance.

ADDITIONAL TRANSPORTATION:

We can assist you in arranging additional transport for passengers who cannot be accommodated in the tow truck, for your account.

APPROVED CONTRACTORS:

When a breakdown occurs outside of the AA's road patrol service areas, the prime objective is to secure you and your passengers, and to take you to a place of safety where alternative arrangements can be made or, if possible, for repairs to be carried out. Our AA approved tow contractors are appointed based on their fleet size and facilities e.g. 24-hour availability, overnight storage yard etc. We do not require that our approved tow contractors employ qualified mechanics. For this reason, they are not approved or permitted to attempt any but the most basic repairs e.g. changing a flat tyre.

Should you request an AA approved tow contractor to repair the Vehicle and the repairs are not successful the Vehicle could sustain additional damage resulting in escalated repair costs. The AA will not be held liable for any arrangements you may make with any AA approved tow contractor directly, (see section on Resolving Disputes on page 14).

AREAS COVERED:

We provide services in the following areas of South Africa: Johannesburg, Pretoria, Cape Town, Durban, Port Elizabeth, Bloemfontein, Mbombela and Pietermaritzburg and, where necessary and in areas where we do not have fleet Vehicles, we also use AA approved contractors. Should the breakdown occur in Lesotho, Swaziland, Botswana or Namibia, we will arrange for the Vehicle to be towed to the nearest place of safety or repair, subject to the availability of a suitable AA approved tow contractor.

ASSISTANCE NOT ARRANGED BY THE AA:

Any assistance arranged without the AA's knowledge will be for the Member's own account. The AA will not be responsible for any damage caused to your Vehicle as a result.

ATTENDANCE AT THE SCENE OF AN INCIDENT:

You must remain with your Vehicle and be present when the service Vehicle arrives. If you are not present at the incident, with proof of your active, paid up AA Membership, this may result in additional costs for your account. If you are not at the Vehicle when the service Vehicle arrives, and we are unable to provide service, this will count as one assistance. If the Vehicle is unattended the tow truck or patrol Vehicle may leave the scene, and we cannot be held liable for any damage to your Vehicle.

BATTERY MAINTENANCE:

If your Vehicle's battery cannot be jump-started, our battery patrols can sell and fit a new, discounted battery on-the-spot. The mobile battery replacement service is subject to availability in Urban areas only, and is not available for motorbikes.

All batteries come with a national 24-month battery warranty. You are liable for the cost of the new battery and may make payment by cash, major credit cards, garage cards or debit cards. Should an AA-supplied battery be replaced within the 24-month warranty period, the balance of the original warranty period will apply and this will not count as a second assistance. The price of the new battery is based on the return of the old battery to the AA for environmental and safe disposal. If you wish to retain your old battery, a scrap charge will apply.

CANCELLED ASSISTANCES:

If you cancel an assistance after we have dispatched the service Vehicle, this is regarded as one assistance.

COSTS NOT COVERED:

The following costs and services are not covered by your AA Membership:

- Labour charges, overtime charges, cellular phone charges, assistance fees, toll fees, weekend levies, parking fees, storage charges, hitching/salvage/recovery fees, collection and conveyance of spare parts, the cost of spare parts and other related expenses.
- Repair charges.
- Charges, other than towing, for assistance required due to accident or other insurable risks. We will assist with arrangements for your account.
- Charges for further towing of the Vehicle for purposes of repair, if you do not accept the quotation of the repair centre nearest to the point of breakdown, or if you make arrangements directly with the AA approved tow contractor.
- Towing charges incurred outside the borders of South Africa, Lesotho, Swaziland, Namibia and Botswana.
- If the Vehicle is loaded, we are not responsible for the load and may require you to remove the load before rendering any service.
- Payment or refunds for assistance by private persons or other roadside assistance providers.
- Compensation for any loss of income or earnings due to a breakdown that required assistance from the AA or any of our approved contractors.

EMERGENCY MEDICAL RESCUE SERVICES:

Members must call the AA's 24-hour Emergency Call Centre

for assistance on 0861 000 234. Payment for any service is not guaranteed unless prior authorisation has been obtained and you quote the AA Case Reference Number. We may also provide Emergency Medical Rescue if you travel to Lesotho and Swaziland, and if it is medically justifiable.

- Annual paying Members will be notified in writing within 60 to 90 days of their approaching 12-month Membership period renewal date.
- Members are responsible to keep their contact details up to date in order to receive renewal notices.
- Members have the right to cancel their Membership in writing within five business days of the date on which their Membership becomes active (the "cooling off" period). The following refund policy will apply for Members cancelling within the five-day "cooling off" period:
 - If the Member has utilised the AA's assistance within the five-day period, the Member will receive a full refund of the total Membership fee paid, less the AA's charges for assistance provided. If the services provided amount to more than the total Membership fee paid, the additional amount for the services will be charged and will be payable by the Member.
 - If the Member did not utilise the AA's assistance, the Member will receive a full refund of the total Membership fee paid.
- Members who wish to cancel within 12-months of their current subscription period must provide 20 business days' notice in writing, and will remain liable for any amounts incurred in the rendering of services during this period, as well as a cancellation fee, which will be calculated at the time of cancellation.

- Members who have selected to pay by recurring debit order will be automatically renewed, until cancelled in writing by the Member.

DEBIT ORDER:

In instances where your initial debit order was unsuccessful, we'll advise you of the rejected debit order through an SMS and automatically re-submit the debit order on the next debit order run (1st, 15th and 25th) to ensure your service continuity. Unfortunately, any bank charge penalty imposed will not be refundable from the AA.

RESOLVING DISPUTES:

We accept no liability for loss or damage to the Vehicle or any of its components or accessories or contents while it is unattended, or while in the custody or under the control of any service provider or repairer. We will assist you in every way possible to resolve disputes with our AA approved tow contractors where loss or damage may have occurred while the Vehicle was in their care.

We carefully select our service providers for value added services, but cannot guarantee quality of service. These service providers are not our agents or employees. We cannot be held responsible for their actions or omissions, or for any damage caused by their performance or failure to perform.

Where there is a need for clarification of terms and conditions or relating to your entitlements, our interpretation will be final.

We constantly strive to provide new and improved services to you. We reserve the right to amend the terms, conditions and benefits, including changing third party service providers. We will notify Members of material amendments in our Member communications.
