1. *You* must keep to all the rules, terms and conditions

You must keep to all the rules, terms, conditions and the claims process set out in this **policy wording**. If *You* do not keep to all the terms and conditions of this policy, it may result in a claim being rejected or the policy being cancelled from the *policy start date*.

2. Service and maintain *Your* vehicle

- a. *You* must service *Your* vehicle regularly at an accredited repairer and as stipulated in the manufacturer's service booklet. The service must be done according to the *vehicle* manufacturer's specifications for the age and kilometres of the *vehicle* at the time.
- b. *We* will give grace and allow a run-over of 1,500km or 30 days either side of the service interval, regardless of the manufacturer's run-over period.

6. *You* must choose a *cover limit*

- a. There are different *cover limit* options that *You* may choose from when *You* apply for cover. *You* may change the *cover limit* at any time by contacting the intermediary on the details set out in the **disclosure notice**. E. Premium payments

1. What must You pay?

- a. This is a monthly policy. This means that *Your* policy is automatically renewed for another month every time *You* pay the monthly premium.
- b. The *premium payer* must pay the premium listed in the **policy schedule**. If *You* are not the *premium payer* and the *premium payer* stops paying the premiums it remains *Your* responsibility to pay the premiums for cover to continue.

2. When must You pay?

- a. For the policy to start, the *premium payer* must pay the first month's premium on the agreed *premium debit date*. If *We* do not receive *Your* first premium, *We* will attempt to debit *Your* account again on the *premium debit date* the following month with the premium amount due. If *We* do not receive the premium on the next month, the policy will not start.
- b. For the policy to renew each month, the premium is due on the *premium debit date*. *We* will allow a 1-month grace period (extra time) from the *premium debit date* for *You* to pay *Your* premium. If *We* do not receive *Your* first premium, *We* will attempt to debit *Your* account again on the *premium debit date* the following month with the premium due.
- c. If the *premium debit date* falls on a weekend or public holiday, the *premium payer's* bank account will be debited on the first working day before or after the weekend or public holiday.

3. What will happen if You don't pay?

- a. If the debit order fails because of insufficient funds, *We* may attempt to debit *Your* account again during the month and if not successful, *We* will debit *Your* account with the premium on *Your* selected debit order date the next month *Your* premium is due.
- b. If *We* do not receive the payment after *Our* re-attempt as explained above in 3.a, the policy will end on the last day of the month for which a premium was received. *We* do not have to reinstate *Your* policy.
- c. If *You* stop the debit order directly with *Your* bank, *We* will allow a 1-month grace period to pay the premium. If no premium is received after the grace period, the policy will end on the last day of the month for which a premium was received. If *You* want to continue with *Your* policy, *You* need to contact *Us*.
- d. *We* will honour a claim that arises during the grace period if it is a valid claim. The unpaid premium will be deducted from the approved benefit amount.

F. General conditions for cover

1. Territorial limits

4. Your rights can't be given to another person

You may not give *Your* rights or benefits under this policy to another person. If *You* try to hand *Your* rights to another person, *We* will not recognise that contract. *We* will continue *Our* contract with *You* as if *You* had not made a contract with someone else. This type of contract is known in law as a cession.

G. Claims made easy

1. Your responsibilities before You claim

- a. If You require roadside assistance, first confirm that the service available to You as listed under the Roadside assistance benefit.
- b. If a *part* has *failed*, first check that the *part* is listed under the Mechanical breakdown benefits table.
- c. You may not claim for any benefit during the first 30 days after the *policy start date*.
- d. Make sure that the workshop is an AA Warranties approved service provider. Check the list of *Our* approved workshops on *Our* website www.aawarranties.co.za or call *Us*.

2. Claims process for mechanical breakdown incidents

STEP 1

You must notify *Us* of the claim as soon as possible but within five days of the incident. If *Your vehicle* breaks down outside working hours, on a weekend or on a public holiday, *You* must tell *Us* on the following working day.

We will tell *You* what evidence and other documents *We* need from *You* to process the claim.

STEP 2

You must use an AA Warranties approved service provider. Check the list of approved workshops on *Our* website www.aawarranties.co.za or call AA Warranties.

STEP 3

If the workshop needs to investigate the cause of the *failure* to prepare a quote, they will need *Your* permission to continue.

Important note: The labour cost for *vehicle* assessment will be for *Your* account unless *We* confirm that the *failure* is covered. It is sometimes necessary for the repair workshop to perform an electronic diagnostic test to determine the cause of *Your vehicle's* problem. This diagnostic test will be for *Your* account unless the repairer agrees to allow it as a *part* of the labour required to perform the authorised repair.

STEP 4

You must get *Our* written approval before repairing *Your vehicle* or before incurring more costs.

Important note:

If *You* do not follow the steps above or do not send *Us* the information *We* ask for, within the time requested, *You* may lose *Your* right to claim.

3. If Your claim is valid

- a. If Your claim is valid, We will repair, replace or pay You for damages. If appropriate We may use any combination of these methods. Our objective is to place You in the same financial position as You were in before the *insured event* took place, subject to the cover *limits* set out in the **policy schedule**.
- We may choose a supplier or repairer which is *part* of Our approved service providers;
 - We will pay the service provider directly, or We will refund You for the cost of the authorised repairs or replacement;
 - We will not consider claims that do not include a detailed *failure* report and a valid invoice.
- b. If We replace or repair, We are not required to do so exactly but only as circumstances reasonably allow.
- We may decide to make a payment instead of repairing or replacing the *part*. We will then pay You the *market-related* value for the *part* up to the limit set out in the **policy schedule**. How much We pay out does not consider the sentimental or other specific value the *Parts* may hold for You.

4. What must You pay?

a. *Excess* amount

Every time You claim, We will deduct an *excess* from the amount We pay. All amounts quoted below are inclusive of VAT. The *excess* that applies is based on the status of the policy at the date when You notify Us of the claim.

Days from <i>policy - start date</i>	Excess
0 – 30 days	Waiting period. 100% of claim for Your own account
31 – 60 days	Pay 50% of the approved <i>cover limit</i> or claims value, whichever is less
61 – 89 days	Pay 25% of the approved <i>cover limit</i> or claims value, whichever is less
90 days +	Pay R500 per claim AA members DO NOT PAY <i>excess</i> after 90 days.

b. Labour cost if *Parts* are not covered

You will need to pay the labour costs of the *vehicle* assessment if Your claim is not valid. It is sometimes necessary for the repair workshop to perform an electronic diagnostic test to determine the cause of Your *vehicle*'s problem. This diagnostic test will be for Your account unless the repairer agrees to allow it as a *part* of the labour required to perform the authorised repair.

5. How much will We pay

- a. We will pay the cost of repairs or replacement up to the *cover limit* less the *excess* amount.
- b. We will pay the market value of each *part*. This amount is based on the *part*'s market value at the time of the *failure*.
- c. If You signed the release and We paid the claim, We will not be liable for anything else in respect of that claim.
- d. If more than one *part* fails at the same time, We will treat the *failure* as one claim up to the *cover limit*.
- e. We will not pay any interest.

6. No claims in the first 30 days

- a. You will have no cover during the first 30 days after the *policy start date*. We will not pay any claims for mechanical breakdown, car hire or roadside assistance during this waiting period.
- b. This waiting period will apply again if the policy is cancelled and We decide to reinstate the policy. If We reinstate Your policy due to Our administration error, the waiting period will not apply.
- c. If You choose to increase Your *cover limit*, the waiting period will apply only to the additional amount from the *benefit change date*.

7. Other insurance claims

- a. If *You* have more than one policy that covers *Your vehicle* for any benefit provided under this policy, the full amount of the claim will be split proportionately between the different insurers.
- b. *You* may not claim under another policy for any amount that *We* have already paid for under this policy.
- c. If *You* have already claimed under *Your* other policy, *You* may not also claim under this policy.

8. If *You* do not agree with *Our* claims decision

- a. If *We* do not accept a claim, or *We* cancel this policy or if *You* dispute the amount of the claim, *You* may ask *Us* to review *Our* decision.
- b. *We* will review *Our* decision only if *You* send *Us* a written request to review within 90 days (the “representation period”) of the date that *You* receive *Our* rejection letter, or cancellation notification.
- c. Alternatively, *You* may contact the Ombudsman for Short-term Insurance on the contact details set out in the **disclosure notice**. The Ombudsman is an independent office appointed to make independent and fair decisions.
- d. If *You* are not satisfied with the outcome of the complaint, *You* may also take legal action against *Us*. To take legal action, *You* must instruct a lawyer to give a document to the sheriff of the court, who must serve the document on *Us*. This is called serving a summons on *Us*. Summons must be served on *Us* within 180 days of the expiry of the representation period. If this is not done in time, *You* will lose *Your* right to claim and *We* will no longer be liable for the claim.
- e. *You* may also choose to take legal action against *Us* without first requesting *Us* to review *Our* decision or to contact the Ombudsman. If *You* decide to do this, summons must be served on *Us* within 270 days of the date that *You* receive *Our* rejection letter. If *You* take legal action against *Us* before contacting the Ombudsman, *You* can approach the Ombudsman for assistance only after *You* have withdrawn the summons against *Us*.
