SuperValue – MEMBER GUIDE (MARCH 2020)

SuperValue – making ordinary insurance better

As a client of AA Insurance Supermarket the broker fee you pay with your insurance premium provides you and your loved ones with a number of emergency and lifestyle Value Added Services that we believe will give you and your loved ones much needed additional benefits often over-looked in an ordinary insurance product.

SuperValue benefits can easily be accessed by connecting with our SuperValue Hotline on **0861 80 88 85**. Our operators are there for you. Read more about these potentially life changing benefits.

Making ordinary insurance better!

At AA Insurance Supermarket, our focus is on 'managing risk', rather than just selling policies. This concern for our clients drove us to put together the SuperValue package of benefits to improve your experience as a client of AA Insurance Supermarket. Many of the benefits plug gaps in ordinary policies – the type that most of us have. SuperValue is already included in the debit order the insurer collects every month.
